

CAMP FACILITY & ISLAND SETTING

Camp Trinity is located in Pine Knoll Shores on Bogue Island off the coast of North Carolina at Trinity Center, an Episcopal Camp and Conference Center. The camp is situated along Bogue Sound. The Center has 1500 feet of ocean front property on the Atlantic which is accessed by a tunnel under the island's main highway.

Four dormitories, with two cabins in each dorm, house eleven campers and one counselor per cabin. Each cabin counselor is at least 18 years old. Counselors are chosen for their character and experience with children.

Our dining room easily accommodates the camping community.

Many different waterfronts are available to Trinity Campers. Sailing, canoeing and marshing take place at the Sound. Swimming lessons, free swim and water carnival events happen around the pool.

Swimming, sand castle building, games, and beachwalks occur at the beach.

Other program facilities include a covered recreation building, an outdoor recreation field, a challenge course, a Youth Assembly building and a Pavilion on the ocean side.

Sanders Point is an outdoor chapel overlooking the marsh waters of Bogue Sound. Many worship services are held at the chapel.

FULL TUITION PAYMENTS ARE DUE FOR ALL CAMP SESSIONS BY MAY 1ST. FEES NOT PAID BY MAY 1 COULD OPEN THE CAMPER SLOT FOR ANOTHER PERSON TO USE IF NEEDED.

THE HEALTH EXAMINATION FORM IS REQUIRED YEARLY AND IS DUE NO LATER THAN 30 DAYS PRIOR TO THE OPENING OF THE CAMP SESSION. **NO HEALTH FORMS WILL BE ACCEPTED ON OPENING DAY OF CAMP.**

Camp Trinity has a financial assistance policy for those who might otherwise be unable to attend. Camp Trinity may grant financial assistance for one-fourth to one-half of the program cost. We are unable to grant scholarships for the full amount of tuition. When financial aid is requested, it is expected that the parents, guardians, and/or parish take responsibility for part of the tuition and secure a matching amount and/or to then pay the balance. Contact your priest or the camp office for a financial assistance form. We review financial assistance applications in the late spring when the total amount of available funds is known. At that time a letter will be sent to those requesting aid notifying them of the amount of financial assistance granted. All requests for financial assistance require the signature of a priest or minister and should be received in the camp office by March 30. Camp Trinity's Health Center is staffed by a registered nurse 24 hours a day throughout each session of camp. All of Camp Trinity staff are required to be First Aid and CPR certified. We are located 9.8 miles from Carteret Health Care Hospital.

Financial assistance scholarships are made possible through gifts and memorial contributions to Camp Trinity. Additional scholarship funds are always needed and welcomed and may be mailed to Camp Trinity, P.O. Drawer 380, Salter Path, NC 28575.

Specific details of individual programs will be sent upon confirmation of registration.

We expect all campers to stay for the entire session. It is important for your child to experience the entire camp week; therefore, we generally do not allow arrivals past opening day or departures before closing day. Any other arrangements must have been made with the Camp Director BEFORE opening day.

Campers may only attend one session per summer, unless space permits after wait list campers have been served.

Camp forms are available for download on our website at www.trinityctr.com/campt.

CAMP TRINITY

Camp Trinity is a residential summer camp sponsored by the Episcopal Diocese of East Carolina at Trinity Center. Camp Trinity is in its thirty-second summer season. We look forward to continuing our special programs and traditions for campers here on the banks of Bogue Sound.

Camp Trinity is proud to be accredited by the American Camping Association. Developed exclusively for the camp industry, this nationally recognized program focuses on program quality and health and safety issues and requires us to review every facet of our operation. In 2016 Camp Trinity underwent its ACA Standards Visit (scheduled once every five years), and we scored high marks in all areas.

Camp Trinity offers young people rising 2-12 grades an opportunity to experience camping in an enjoyable and beautiful setting along Bogue Sound and the Atlantic Ocean. Campers share in a Christian program that helps them grow spiritually and emotionally while giving them opportunities to develop new interests, skills, and friendships.

THE GOALS OF CAMP TRINITY ARE:

- To provide a Christian camping experience that is diverse, inclusive, nurturing, loving, and affirming, while challenging each person to be responsible to and for the other.
- To build and live in an intentionally Christ centered community so that each camper might gain a deeper understanding of and appreciation for his/her own skills, abilities, and gifts as a child of God.
- To develop a sense of thankfulness for and stewardship of God's creation.
- To provide a quality Christian Education experience.

In 2018, more than 600 campers were involved in the summer program. The program in 2019 promises to be as exciting as those in past summers.

The camping program is administered by an experienced staff of college age and older individuals, with a ratio of one staff person for every four campers. The Summer Staff consists of trained counselors who are responsible for the care and nurture of campers in their cabin life and camp activities, program staff who plan and implement the recreational program activities for campers, a certified staff of lifeguards and instructors who oversee the swimming and boating programs, and a nurse who cares for the medical needs of campers. Camp Trinity's Health Center is staffed by a registered nurse 24 hours a day throughout each session of camp. All of Camp Trinity staff are required to be First Aid and CPR certified. We are located 9.8 miles from Carteret Health Care Hospital.

Camp sessions are led by volunteer leaders, clergy, and laity who offer exciting Christian Education programs and worship experiences.
