## FINANCIAL ASSISTANCE

• Camp Trinity has a financial assistance policy for those who might otherwise be unable to attend. Camp Trinity may grant financial assistance for one-fourth to one-half of the program cost. We are unable to grant scholarships for the full amount of tuition. When financial aid is requested, it is expected that the parents, guardians, and/or parish take responsibility for part of the tuition and secure a matching amount and/or to then pay the balance. Contact your priest or the camp office for a financial assistance form. We review financial assistance applications in the late spring when the total amount of available funds is known. All requests for financial assistance require the signature of a priest or minister and should be received in the camp office by March 30. Camp Trinity's Health Center is staffed by a registered nurse 24 hours a day throughout each session of camp. All of Camp Trinity staff are required to be First Aid and CPR certified. We are located 9.8 miles from Carteret Health Care Hospital.

• Financial assistance scholarships are made possible through gifts and memorial contributions to Camp Trinity. Additional scholarship funds are always needed and welcomed and may be mailed to Camp Trinity, P.O. Drawer 380, Salter Path, NC 28575.
